

# CHIARTS ALUMNI NETWORK

## CONTINUING THE LEGACY OF CHIARTS

The ChiArts Alumni Network supports alumni professional growth while also continuing to build a community for meaningful alumni connection with the ChiArts family at large.

We empower alumni voices to guide our work. Through alumni insight and collaboration, we create programs aligned with the current alumni community's needs, interests, and values.

## VALUES

### COMMUNITY

We foster engagement with ChiArts and the community including faculty, community members, partner organizations, etc.

### GROWTH

We provide personal and professional development opportunities through networking, workshops, special events, and connections to internships, fellowships, and artistic opportunities.

### INSPIRE

We create ways to give back and support students and alumni.

## CURRENT PROGRAMS

### ALUMNI AMBASSADORS

Through a 10-month paid opportunity, our committee of alumni helps define and strengthen alumni programming. Current ambassadors span across several graduating classes, arts conservatories, and professional fields.

### APPRENTICESHIPS & INTERNSHIPS

In partnership with Innovation 80, we offer exclusive access to paid professional experience with arts organizations.

### CHIARTSALUMNI.ORG

The Network is comprised of an exclusive online platform that connects alumni to fellow community members, professional development resources, career opportunities, and mentorship connections.

### CHIARTS PRESENTS

In partnership with Epiphany Center for the Arts, music alumni are given access to paid performance opportunities.
